The Tale of an Heroic Hen

Mrs. G. Hurst phoned in this delightful story:
It seems she was taking her morning coffee a few days ago when she was mildly surprised to see a hen and newly hatched chicks busily scratching for food beside the Hurst Machine Shop.

At first she supposed it had wandered from some nearby yard. The day passed and night came and still the hen and her brood stayed by the Irma Machine Works.

Upon investigation it was discovered that a combine brought in from the country about a week before was the only place that hen and chicks called home.

Some unhatched eggs in the interior of the machine showed that the hen had been nesting there and when the machine was moved along over the hard, bumpy roads, she had stuck to her job and since coming to town had rustled food as best she could.

The combine had come in from the old Jackson farm and Mr. and Mrs. Galloway, who had purchased it this spring, were summoned by telephone. They came and gathered up the little family and restored the faithful biddy with brood to her old home.

Weekly Inspirational Corner

(Sponsored by an Irma Times reader)

Let this mind be in you, which was also in Christ Jesus:
Who, being in the form of God, thought it not robbery to be equal with God;

But made Himself of no reputation, and took upon Him the form of a servant, and was made in the likeness of men.
And being found in fashion as a man, He humbled Himself, and became obedient unto death, even the death of the cross.

Wherefore God also hath highly exalted Him, and given Him a name which is above every name:

That at the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth:
And that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father.
—Phil. 2:5-11.

Card of Thanks

I wish to thank all the kind friends who sent me a gift of money to thank for a bangle bird. I would have loved to have the bird but I find that Nursing Home rules do not permit pets so have decided to put a bedside table which will be very useful to me.

Thanking you all for your kindness and hoping you will be able to call and see me when in Calgary.

Your old friend,

18th Annual Wainwright Denary W.A. Meeting

St. Thomas W.A. was "at home" on Monday, May 26 when nearly fifty members from the nearby branches of the W.A. in this denary gathered to attend the 18th Annual Wainwright Denary W.A. meeting.

Service of Corporate Holy Communion was celebrated in St. Thomas' Church at 11 a.m. with the Rural Dean, Rev. Minchin of Vermilion in charge. Rev. Heron of Viking preached the sermon, and Rev. Flagler of Wainwright played the organ.

Following a luncheon in the Elk's Hall catered by the Ladies of the Royal Purple, we assembled in St. Thomas' Parish Hall to open the business meeting at 1:45 p.m. with hymns and prayers. The address of welcome given by Miss E. Bacon was replied to by Mrs. Thurston Sr. of Irma.

The President's address was a report on her trip to the Dominion Annual held in Calgary last September.

Branch reports were given from eight branches, all showing that a good year's work had been done. Money on hand was voted out to the Luthiana Mission Hospital, Roberta, Tillamund and the Rectory at Frog Lake.

Mrs. Roberts, U.T.O. Secretary, Mrs. Moore, Educational Secretary, Mrs. J. A. Elkin, secretary and Mrs. Moore, Little Helper's secretary from the Edmonton Diocesan W.A. Board brought inspiring messages. Two new ministers in this Denary, Rev. Brown of Toftield and Rev. Heron of Viking spoke on our work.

Miss Rhoda Swift, who has done a great deal of mission work in the Arctic and southern Alberta, spoke on her work, explaining that we are gaining results; for example the new Indian Senator, Mr. Gladstone, came from the Blood Indian reserve at Cardston where she had the pleasure of working with his family. The pictures Miss Swift showed of various missions were very interesting.

Votes of thanks were given by Mrs. J. Robinson of Toftield. Election of officers resulted as follows: Hon. President, Mrs. Thurston Sr., Irma; President, Mrs. T. N. Withnell, Edgerton; Vice President, Miss E. Bacon, Wainwright; and Secretary-Treasurer Mrs. A. J. Patterson, Heath.

After adjournment the ladies attended Evesong, conducted by Rev. Minchin and then returned to the hall, where a very pleasant social hour was spent over a cup of tea.

Next year's meeting will be held in Toftield on the last Tuesday in May.

Glen-Coa Gleanings

Mr. Alfred Larson of Vancouver arrived the first of this week to spend his holidays with his mother Mrs. J. Larson and Mrs. M. P. Spring.

Most everyone in our community attended some part of the week of celebration at Wainwright. Two men, O. Basak and R. Erickson, were in the Wainwright band.

Next Sunday evening, June 27, Sharon Luther League is planning a program centering about Bible Camp. They hope to have a film to show also.

Honor Bride-to-be Miss Audrey Jones

A large gathering of friends and neighbors assembled in the basement of the Irma United Church on Monday evening in honor of Miss Audrey Jones, a bride of this week.

When Audrey arrived she was escorted to the seat of honor under a canopy of pink and white wedding bells and streamers. Her mother, her aunt, Mrs. Steve Jones and her sister-in-law, Mrs. Cliff Jones were all seated with her.

Mrs. R. O. Larson was mistress of ceremonies and all the ladies were in a holiday mood. A jolly evening was spent as the following program unfolded.

Mrs. Larson spoke warmly of the years of friendship she had had with Audrey. Then Mrs. R. C. McFarland led a lively sing-song accompanied by Mrs. H. Whidden at the piano. A lively piano solo and encore was given by Miss Carol Matthews.

Mrs. Gunn then conducted a musical contest concerning a comical romance, this was followed by a solo and encore sung by Linda Lovig.

Another hilarious contest was then conducted by Mrs. Anquist. Mrs. R. L. Simmerman sang a solo and encore and then all the hostesses, Mesdames McFarland, Gunn, Simmerman, Black, Anquist, Larson, Coffin, Rohrer, Milne, Hunt and Brown sang a song to Audrey, composed by Mrs. Hurst.

Audrey was then invited to explore the many lovely gifts contained in the big pink and white wishing well, but the climax of the evening was yet to come. A long table at the side had been mysteriously covered up with a white cloth. After the Wishing Well gifts had been admired, Mrs. Black and Mrs. McFarland stepped up and invited Audrey to stand by this mystery table. They then removed the cover and displayed a full dinner set for eight in Royal Albert China, American Beauty Rose design.

Audrey, who had believed the evening's lunch to be under this cloth, was really surprised and delighted with this gift.

She warmly expressed her thanks to one and all for all the kindnesses received that evening. Her friends then joined hands and sang "For She's a Jolly Good Fellow."

This happy occasion was then brought to a close with a bountiful lunch served by the hostesses.

WITH THE District Agriculturist

By J. S. Duncan

Haying Time

Hay crops are not going to be very heavy this year so the hay should be put up in the best possible condition. One important feature about good quality hay is to cut it at the right time in order to get the most feed value. With clover this is at the bud stage, with alfalfa when they are headed and in bloom. Another feature should not be overlooked as there will be less loss in a light crop with alfalfa than with hay.

Many trees in this district are being damaged by insect pests. Everyone should keep an eye on their shelterbelts and ornamentals and be prepared to spray if damage starts. Malathion is probably as good an insecticide as there is available but others such as D.D.T., Lindane, chlordane, Black Leaf 40 and Heptachlor are effective for many insects.

FAVOUR

WHEN the housewife calls at the grocery store and orders a supply of provisions, she is not asking a favour . . . she is buying goods for which she will pay cash . . . purely a matter of business.

So with your bank. It is a business proposition just as much as the grocery store.

The grocer deals in groceries . . . the banker deals in credit. And, as the making of loans is the principal way by which his bank derives its revenue, he is as anxious to sell his credit as the grocer is to sell his groceries. And, like the grocer, the banker naturally wants to know that he is going to be paid for his goods . . . that his loans will be met when they fall due. That, too, is only good business.

When you have occasion to ask for a loan, look at it this way. Come to the Bank, not feeling that you have to ask a favour, but to offer the manager a sound business proposition which will be of profit to you and to his institution.
